WITH LOWER PRICES

Trading in Opening Hours Confined Almost Entirely to Room Traders.

NEW YORK, July 10.-The stock market, during the first hour, was dull and sagging. The dullness, although regarded with dissatisfaction by the room traders, who found it hard to cause enough impression on values to allow them to make fair profits. After they had sold stocks early, causing de-

Attendance in brokers' office today was smaller than it has been for many days, which would indicate that the market is entirely in the hands of the professional floor traders.

Treasury disbursements will continue very heavy during July, and expenditures may reach \$15,000,000 in excess of receipts. For the first six days expenditures have exceeded receipts by \$4,-000,000

Norfolk and Western has sold to Brown Bros., & Co., \$2,000,000 divisional first mortgage and general mortgage 4 per cent gold bonds in addition to the \$1,000,000 4 per cent ten-year equipment certificates sold to the same banking institution last week.

From statistics received by the Agricultural Department in Washington the officials of that department are confident that the winter wheat yield will net 525,000,000 bushels, or 100,000,000 bush-els more than last year. This may mean about \$60,000,000 more for the farmers of about \$60,000.000 mc the United States.

Railroads with a heavy passenger traf-fic in Ohio are beginning to feel the ef-

The Baltimore and Ohio Railroad Com pany, anticipating the payment of the \$9,000,000 loan made by the National City Bank of New York in April, used a por-tion of the proceeds from the sales of \$27,500,000 new stock. Some subscribers to the stock anticipated payment, and the company paid off the loan. The second installment on the new stock comes due next Monday.
